NOTES

- ‡ Tinora Rams: total offense does not equal rushing plus passing plus kneels/spikes — 10 yards counted twice. The individual category totals above are each correct; the sum is what disagrees.
- ¶ 8 unresolved players (entered by jersey number and never matched to a roster) appear on 59 plays. Their yardage is included in the team totals but they are correctly absent from the individual statistics, so the two will not add up.
- § Tackle tracking was off for this game, so the tackles and tackles-for-loss columns are omitted from the DEFENSE table for both teams. Sacks, interceptions and forced fumbles are unaffected.
