NOTES

† KNEELS/SPIKES is the reconciliation line: quarterback kneels and spikes count in total offense but not in rushing or passing, so rushing + passing + kneels/spikes equals total offense exactly.

¶ 10 unresolved players (entered by jersey number and never matched to a roster) appear on 43 plays. Their yardage is included in the team totals but they are correctly absent from the individual statistics, so the two will not add up.

§ Tackle tracking was off for this game, so the tackles and tackles-for-loss columns are omitted from the DEFENSE table for both teams. Sacks, interceptions and forced fumbles are unaffected.
